

Payment Facilitator Terms and Conditions

Introduction

The EpicPay International LLC DBA Fortis Payment Systems LLC (“Fortis”) Terms and Conditions is a legal agreement (this “Agreement”) between you (“Sub- Merchant,” “user,” “you” or “your”) and EpicPay International LLC DBA Fortis Payment Systems, LLC (“Fortis”, “we,” “our” or “us”) governing your use of an Account (as defined below) and payment processing services (“Services”) Fortis provides. Services also includes Fortis’ payment processing services, as well as our website, any software, programs, documentation, tools, hardware, internet-based services, components, and any updates (including software maintenance, service information, help content, bug fixes or maintenance releases) thereto provided to you by Fortis, directly or indirectly. This Agreement shall be effective upon acceptance by Fortis. It shall continue indefinitely unless and until terminated by either party.

Sub-Merchant and Fortis have entered into the Agreement which sets forth, among other things, terms and conditions under which Fortis will provide Sub-Merchant with the Services that facilitate Sub-Merchant’s acceptance of credit and debit card payments for products and services provided to customers. Fortis has an agreement with an Acquirer and a Bank who collectively provide payment processing and Card sponsorship to Fortis on behalf of its Sub- Merchants.

In exchange for Fortis, (the Guaranteed Party) acceptance of, as applicable, the Agreement, the undersigned (“Guarantor”) unconditionally and irrevocably guarantees the full payment and performance of Sub-Merchant’s obligations under this Agreement, as applicable, as they now exist or as modified from time to time, whether before or after termination or expiration of the Agreement and whether the undersigned has received notice of any amendment of the Agreement. The Guarantor waives notice of default by Sub-Merchant and agrees to indemnify the Guaranteed Party for all amounts due from Sub-Merchant under this Agreement. The Guaranteed Party shall not be required to first proceed against Sub-Merchant to enforce any remedy before proceeding against the undersigned. This is a continuing personal guaranty and shall not be discharged or affected for any reason. The undersigned understands that this is a Personal Guaranty of payment and not of collection and that the Guaranteed Party are relying upon this Personal Guaranty in entering into the Agreements, as applicable.

We reserve the right, at our sole discretion, to amend, change or modify portions of this Agreement at any time. When we do this, we will post the revised Terms and Conditions on <https://fortispay.com/privacy-and-terms/> and will indicate the date of such revision. Your continued use of the Services after the date of any such changes constitutes your acceptance of the new terms and conditions of the Agreement.

By Clicking “I Agree”, you agree to be bound by all Terms and Conditions of this Agreement, including, without limitation, all documents, policies, and procedures incorporated herein by reference. You further agree that your electronic signature has the same effect as your manual, physical signature. Your electronic signature (via “click-through” or other method) has the same effect as if you signed them in ink.

This Agreement governs your relationship with us and becomes effective when you click "I Agree" ("Effective Date") and is accepted by Fortis. To use the Service, you must agree to all the terms of this Agreement. Sub-Merchant may begin to sell its products and services and use the Services after approval of the account ("Account").

The Service

Fortis provides the Service to you to facilitate payments to Sub-Merchant by card and direct debit payments (Canada only). These transactions are between Sub-Merchant and their customers. The Services are intended to be used for business purposes and not for personal, family, or household use. The Services allow you to accept valid payments from your customers using credit and debit cards ("Card(s)") issued by members of Visa, Mastercard, Discover, and American Express (collectively "Card Organizations"). For payments by Card, Fortis initiates the payment process by providing information to a processor that sends it to a bank that is a member of one of the Card Organizations. The processor and member bank are referred to collectively as the "Bank". The Bank is obligated to pay Sub-Merchant under both (a) the provisions of its agreement with Fortis, and (b) the by-laws, Rules, policies, and procedures of the Card Organizations as in effect from time to time (the "Rules"), that make the Bank responsible for settling with you as a Sub-Merchant. As the provider of the Services, we have certain obligations under the Rules.

Merchants who will accept Google Pay payments must read and agree to the Google Pay API Terms of Service <https://developers.google.com/wallet/terms-of-service> and Google Pay APIs Acceptable Use Policy <https://developers.google.com/terms>

Fortis' Role and Responsibilities

Fortis provides data processing services for Sub-Merchants. Fortis is a Payment Service Provider ("PSP"), not a bank, money transmitter, or Money Services Business ("MSB"), and we do not offer banking or MSB services as defined by the United States Department of Treasury or the Canadian equivalent of the Department of Treasury. As a PSP, Fortis collects, analyzes, and relays information generated in connection with payments between Sub-Merchants and its customers. You authorize Fortis to provide this information to the Bank in order for the Bank to facilitate payments from your customers to you through the Card Organizations, or ACH, as applicable. As a result, the Bank - and not Fortis - actually conducts the settlement of card transactions and direct debit payments to Sub-Merchants. Fortis does not at any point hold, own or control funds in connection with the Services, nor does Fortis transmit money or monetary value. In connection with the Services, Fortis does not actually or constructively receive, take possession of, or hold any money or monetary value for transmission, and does not advertise, solicit, or hold itself out as receiving money for transmission. The Bank is the party with the sole responsibility for conducting the settlement of funds between Sub-Merchants and its customers. In order to act as a PSP, Fortis must enter into agreements with the Card Organizations, processors, and the Bank. You are not a third-party beneficiary of these agreements. Each of the Card Organizations is a third-party beneficiary of this Agreement and has beneficiary rights, but not obligations, and may enforce this Agreement against you.

Sub-Merchant Account & Verification

Fortis allows businesses to register for the Services if they are located in the United States or Canada. The principals of a Sub-Merchant must be either a United States/Canadian citizen or a legal permanent resident of the United States/Canada, AND the Sub-Merchant must be a United States/Canadian business or nonprofit organization having a physical presence in the United States and/or Canada and authorized to conduct business by the state or provinces in which it operates. A Sub-Merchant who opens an Account must be eighteen (18) years of age or older. You may open an Account for a business or nonprofit organization only if it is legitimate and you have the authority to enter into this Agreement on its behalf. Your acceptance of this Agreement constitutes acceptance by the business or nonprofit organization. Each Account must be linked to a verified U.S. or Canadian bank account.

Within the United States or Canada, a Sub-Merchant enters into a contractual relationship with Fortis. Fortis asks Sub-Merchant for additional information, such as street address, telephone number, tax identification number (applicable to United States only), and date of birth to verify your identity. You authorize Fortis to obtain consumer reports and background checks from a credit reporting agency and/or a third-party that conducts identity and background checks on the signer of the application, owners, partners, or members with 25% or more ownership, and principal shareholders, if the entity is a corporation and the person that has managerial control of the business, if different than the signer. You agree to provide supplemental documentation upon request (including but not limited to articles of incorporation, articles of organization, passports, driver's license and/or a business license). You authorize Fortis, directly or through third parties, to make inquiries or verify that this information is accurate (for example, through social media or third-party databases).

Your use of Card Organization logos and marks ("Marks") is governed by the Rules; you must familiarize yourself with and comply with these requirements. The Card Organizations are the sole and exclusive owners of their respective Marks. The Sub-Merchant agrees not to contest the ownership of the Marks for any reason. The Card Organizations may at any time, immediately and without advance notice, prohibit the Sub-Merchant from using any of the Marks for any reason. The Card Organizations have the right to enforce any provision of the Rules and to prohibit the Sub-Merchant and Fortis from engaging in any conduct the Card Organizations deem could injure or could create a risk of injury to the Card Organizations, including injury to reputation, or that could adversely affect the integrity of the Interchange System. The Sub-Merchant will not take any action that could interfere with or prevent the exercise of this right by the Card Organizations. On an ongoing basis, the Sub-Merchant is promptly to provide Fortis with the current address of each of its offices, all "doing business as" (DBA) names used by the Sub-Merchant, and a complete description of goods sold, and services provided.

Underwriting

Fortis will review the information that you submit in connection with your request to sign up for the Services. You must provide accurate and complete information. If we cannot verify that this information is complete and accurate, your identity cannot be validated, or creditworthiness determined unsatisfactory, we may deny your use of our Service, or close your Account, if it was previously approved. These are not all the reasons an account may be declined. Your Account could be declined for compliance reasons, as well. Fortis may close your Account at any time, with or without cause, with or without notice.

You agree that Fortis may share information about you and your Account with its processor and/or the Bank. After you submit your application, Fortis or its processor and/or the Bank may

conclude that you will not be permitted to use the Services. You also agree that Fortis is permitted to share information about you and your application (including whether you are approved or declined), and your Account with the Card Organizations, your bank or other financial institution. This includes sharing information (a) about your transactions for regulatory or compliance purposes, (b) for use in connection with the management and maintenance of the Service, (c) to create and update their customer records about you and to assist them in better serving you, and (d) to conduct Fortis' risk management process.

You agree that Fortis may periodically obtain additional consumer reports to determine whether you continue to meet the requirements for an Account.

Prohibited Activities

By applying as a Fortis Sub-Merchant, you confirm that you will not accept payments or use the Service in any of the categories/businesses, or engage in any of the activities (as may be updated by Bank, the Card Organizations, and/or Fortis in their sole discretion from time to time) outlined in Schedule B. The prohibited lists for FIS are listed in Schedule B.

If Fortis determines that you have received funds resulting from fraud or a prohibited activity, those funds may be held, voided, or returned. In addition, if we reasonably suspect that your Account has been used for an unauthorized, illegal, or criminal purpose, you give us express authorization to share information about you, your Account, your access to the Services, and any of your transactions with law enforcement.

E-Sign Disclosure and Consent

Electronic Delivery

By accepting this Agreement, you agree and consent to receive electronically all communications, agreements, documents, notices, and disclosures (collectively, "Communications") that we provide in connection with your Account and your use of the Service by posting it on our website, uploading it to your specific Fortis portal, text messaging or emailing it to the address listed in your Account. You also agree that electronic disclosures and notices have the same meaning and effect as if we had provided you with paper copies, whether or not you choose to view or print or download the disclosure or other notification. Such disclosures and notices are considered received by you within 24 hours of the time posted to our website, or within 24 hours of the time emailed to you unless we receive notice that the email was not delivered. Communications include but not limited to:

1. agreements and policies, such as this Agreement and our Privacy Policy, including updates.
2. annual disclosures.
3. transaction receipts and confirmations.
4. statements and history; and
5. federal and state tax statements.
6. chargeback notifications

Hardware and Software Requirements

In order to access and retain electronic communications, you will need the following computer hardware and software:

1. A computer with an Internet connection.
2. A modern web browser that includes 128-bit encryption, such as the current version of Chrome (www.google.com/chrome), Internet Explorer (www.microsoft.com/ie), Mozilla Firefox

3. (www.mozilla.com), or Apple Safari (www.apple.com/safari);
4. Adobe Acrobat Reader version 8.0 and above to open documents in PDF format.
5. A valid email address (your primary email address registered with Fortis); and
6. Sufficient storage space to save past Communications or an installed printer to print them.

Updating Your Contact Information

It is your responsibility to keep your primary email address up to date. You understand and agree that if Fortis sends you an electronic Communication, but you do not receive it because your primary email address on file is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic Communications, Fortis will be deemed to have provided the Communication to you. Please note that if you use a spam filter that blocks or re-routes emails from senders not listed in your email address book, you must add Fortis to your email address book so that you will be able to receive the Communications we send to you. You can update your primary email address or street address at any time by calling Fortis Customer Service at 1-855-465-9999.

Authorization

You authorize the Bank to hold, receive, disburse, and settle funds on your behalf. Your authorization permits the Bank to generate a paper draft or electronic funds transfer to process each payment transaction that you authorize. Subject to this Agreement, you also authorize the Bank to debit or credit any payment card or other payment method we accept.

You authorize the Bank to initiate electronic ACH entries to each bank account that you set up and to initiate adjustments for any transactions credited or debited in error. You agree to be bound by the ACH Rules. Your authorization will remain in full force and effect until you notify us that you revoke it by contacting Fortis at 1- 855-465-9999 or by closing your account. You understand that Fortis requires a reasonable time to act on your revocation.

Funds Management

The Bank will hold any funds associated with your Account in an account separate from any account used for Fortis' corporate funds. Fortis will not and cannot use your funds for our corporate purposes (including the granting of any security or similar interest), will not voluntarily make funds available to our creditors in the event of bankruptcy or for any other purpose, and will not knowingly permit our creditors to attach the funds. You will not receive interest or any other earnings on any funds that the Bank holds for you. As consideration for using the Service, you irrevocably assign to us or the Bank all rights and legal interests to any interest and/or other earnings or benefits that may accrue or are attributable to the Bank holding your funds in a pooled account. If your Account is negative for an extended period of time (as defined by Fortis in its sole discretion), the Bank may close your Account and we may pursue legal action or other collection efforts.

Card Acceptance

Fortis supports most domestic credit, debit, prepaid or gift cards with a Visa, Mastercard, American Express or Discover logo. In addition, Fortis supports most international cards with these logos. We may add or remove support for certain payment cards at any time without prior notice. We may elect only to process cards that receive an authorization from the applicable issuer. You understand that there may be times when the customer may not be the authorized user of the Card or that such customer may otherwise contest the transaction through the Chargeback process. You agree to comply with the Chargeback process and the liability associated with such Chargebacks. You agree to provide Fortis with

a list of all of the cards issued by Card Organizations that Fortis supports, and you intend to accept in accordance with the terms of this Agreement. Fortis also supports payments via ACH with a U.S. bank account.

We may conduct verification checks on customers to ensure account ownership and sufficient balance, and we may refuse to process payments from customers at our discretion.

Compliance with Rules and Laws

You must comply with all rules and Rules issued from time to time by the Bank (as Fortis) makes them available from time to time) and Card Organizations; any policies, procedures, and instructions provided by us; and the Payment Card Industry Data Security Standards ("PCI DSS") and the Payment Application Data Security Standard ("PA-DSS") (collectively, "Rules"). The Rules are incorporated into this Agreement by reference as if they were fully set forth in this Agreement. You shall comply with all applicable national, federal, state, and local laws, rules, regulations, requirements, or other standards established by any governmental authority having jurisdiction to control such activities ("Applicable Law"), including, without limitation, those relating to anti-money laundering compliance, Office of Foreign Asset Control compliance, the Federal Trade Commission, bank regulatory authorities, and state and local consumer protection agencies. You will assist us in complying in a complete and timely manner with all Laws and Rules, now or hereafter applicable to any Card transaction or this Agreement. You will execute and deliver to us any information we may reasonably deem necessary. If any terms of this Agreement conflict with the Rules, the Rules will govern. For example, where you accept payment cards on your website, you will display each card's logo with equal size and prominence, and you shall not display a preference for, or discriminate against, one card brand over another. If you are required to enter into such an agreement and decline to do so, we may suspend or terminate your Account. Notwithstanding Fortis' assistance in understanding the Rules, you expressly acknowledge and agree that you are assuming the risk of compliance with all provisions of the Rules, regardless of whether you have possession of those provisions. The Card Organizations make excerpts of their respective Rules available on their websites (including usa.visa.com, www.mastercard.com, www.americanexpress.com and www.discover.com).

Effective January 1, 2020, Fortis has updated its privacy policy to conform to the CCPA, and provide current information regarding our privacy practices, including more details about the personal information we collect, how we use it, and your rights and choices regarding your personal information. You can review Fortis' privacy policy at <https://fortispay.com/privacy-policy-2023/>

Payment Card Industry Data Security Standard (PCI-DSS)

"Cardholder Data" is information associated with a payment card, such as account number, expiration date, and CVV2. Fortis will maintain all applicable PCI DSS requirements to the extent Fortis possesses or otherwise stores, processes, or transmits cardholder data on your behalf, or to the extent Fortis could impact the security of your cardholder data environment.

You agree to comply at all times with PCI DSS. Further, you agree to certify such compliance and provide documentation in accordance with the Rules, or when asked by Fortis to become compliant. You also agree that you will use only PCI compliant service providers in connection with the storage, processing, or transmission of Cardholder Data.

You are fully responsible for the security of data (including but not limited to Cardholder Data) on your website or otherwise in your possession or control. You agree to comply with all applicable laws and Rules in connection with your collection, security, and dissemination of any personal, financial, or transaction information.

Unless you receive the express consent of your customer, you may not retain, track, monitor, store,

disclose or otherwise use data (e.g., to send any marketing or promotional materials to Customer) except for the transaction for which it was given and any post-transaction activities in connection with such immediate transaction (e.g., chargeback).

In the event of a data breach in which the Card Organizations have determined you were not in compliance during the time of the breach, you will be responsible for any fines and/or penalties that they assess.

For Canadian Sub-Merchants personal information means information about an identifiable individual as defined and limited by the Personal Information Protection and Electronic Documents Act (“PIPEDA” Canada). Payment card information is considered Personal Information. You agree that you will not compile lists of payment card information or transaction information. You also agree to secure all Personal Information, including transaction receipts, contracts, rental/lease agreements and warranty information. The parties agree that securing Personal Information includes limiting access to select personnel (required for compliance with your obligations under this Agreement) and destroying such Personal Information in a manner that ensures that it is not readable, when no longer required for purposes of compliance with your Agreement. You (and if necessary, each principal, Guarantor or other individuals that have signed this Agreement) agree and consent to the fact that we may, from time to time, use your credit, financial and related Personal Information provided in connection with this Agreement and any update, renewal or extension of same for the following purposes: (i) evaluate current and ongoing credit worthiness; (ii) evaluate your eligibility for the services and establish, administer, service, and collect in respect of the Services and enforce provisions of your Agreement; (iii) to share personal and credit information with and collect such information from our affiliates, agents, representatives, credit reporting agencies, businesses and financial institutions pursuant to the provision of the Services contemplated in your Agreement; (iv) to verify your identity including matching records or credit information; (v) to share Personal Information in connection with your Authorization, POS equipment (the “Equipment”) sale/rental/lease, automatic debit process and with third parties to register a security interest as contemplated in your Agreement; (vi) for detecting and preventing fraud and complying with anti-money laundering and terrorist financing regulations, including checking your identity against watch lists established by regulatory agencies or similar bodies in Canada and foreign countries; (vii) for evaluating the performance of our merchant portfolio; (viii) to allow our service providers to collect, use, store or process Personal Information on our behalf; (ix) to meet legal, regulatory, audit, processing and security requirements. We may otherwise collect, use, and disclose Personal Information as permitted or required by law. You also authorize us to obtain financial and credit information relating to you, from credit reporting agencies, businesses, and financial institutions with which you make arrangements with, and references you have provided, in connection with our decision to provide the Services and monitor your financial and credit status. Additionally, you agree to authorize us to share information concerning your business with any of our agents and/or affiliates and applicable Card Organization, Card Organization members and credit reporting and debt recovery agencies in connection with the performance of the Services set forth in your Agreement.

Information Sharing

You agree that Fortis is permitted to share information about you and your application (including whether you are approved or declined), and your Account with your bank or other financial institution. This includes sharing information (a) about your transactions for regulatory or compliance purposes; (b) for use in connection with the management and maintenance of the Service; (c) to create and update their customer records about you and to assist them in better serving you; and (d) to conduct Fortis’ risk management process.

In addition, we may share some or all of the information about you and your transactions with our processor, the Networks, and our other partners (and their respective affiliates, agents, subcontractors,

and employees), who may use this information to perform their obligations under their agreements with Fortis, to operate and promote the respective Card Organizations, to perform analytics and create reports, to prevent fraud, and for any other lawful purpose.

For Canadian Sub-Merchants we may also use your (and each principal Guarantor or other individuals that have signed this Agreement) business and Personal Information and disclose such information to parties connected with or involved in the proposed or actual financing, insuring, securitization, sale, assignment or other disposal of all or part of our respective businesses or assets (including, for example, your Agreement, Account or amounts owing to us) for the purposes relating to the evaluation and/or performance of these transactions. Successors and assignees of our business or assets may collect, use, and disclose your business or Personal Information as described in this section. You understand that some of our affiliates or service providers may be located outside Canada, and your Personal Information may be transferred or processed outside of Canada, subject to legal requirements applicable to us and our service providers or affiliates, including those requirements set forth by foreign jurisdictions.

Transactions and Limits

Transactions may have various states such as Pending, Received, Approved, Declined, or Error. If a transaction is "Pending", it is waiting for a response from the processor. "Received" indicates that a transaction has been received but does not have a definitive status. The transaction may be in review. The transaction could later be "voided", which indicates the transaction was stopped or reversed. This could be due to inaccurate or incomplete information about your Account, our inability to validate the legitimacy of a payment, customer, or Sub-Merchant, or another proprietary reason. You should check the Declined report to obtain the status of these transactions. You also may contact Fortis for more information. Although payments are voided, the removal of an authorization on a customer credit card or a return of funds to a customer bank account may not be immediate, and Fortis cannot guarantee availability of funds within a specific timeframe.

"Approved" indicates that a transaction has cleared, and the funds will be made available in the Sub-Merchant's Account. If Fortis determines that the transaction is related to a restricted or prohibited business or activity or that the transaction is the result of fraudulent activity or the transaction was on the Sub-Merchant's personal credit/debit card, Fortis may reverse or refund the transaction at any time.

"Declined" indicates that a transaction could not be processed due to inaccurate Account information, insufficient funds, or another transaction-related reason.

An "Error" response indicates an error with the submission of the transaction. You must fix the error prior to resubmitting the transaction. Upon the release of transaction information by Fortis, a Customer will be debited or charged by the Bank. The Sub-Merchant agrees that the Customer's obligation to the Sub-Merchant is treated as paid at the time of (a) the release of this transaction information when a transaction enters the "Approved" state; and (b) the related initiation of processing by the Bank. After the initiation of processing by the Bank, Sub-Merchant agrees not to attempt to collect or otherwise seek payment from the Customer, because Sub-Merchant agrees Customer's obligation to the Sub-Merchant has been conclusively discharged. Sub-Merchant agrees that the Customer is a third-party beneficiary of the preceding two sentences. Transactions may stay in a "Received" state before "Approved" if Fortis is reviewing a transaction for risk purposes. Transactions in this state should not be treated as paid until they are "Approved". Transactions may be disputed, regardless of state, by the Customer. Disputes resolved in favor of the Customer may result in reversal of the disputed transaction, regardless of state.

Fortis reserves the right to limit or restrict transaction size or volume at any time. If you would like to increase your limits, please contact Fortis at 1-855-465-9999. Upon receiving this request, Fortis will

conduct a review of your Account, and decide whether to lift or remove these limits. Fortis will consider a variety of factors in making this decision and will make this determination at its sole discretion.

All transactions are subject to review for risk and compliance purposes and can be delayed or postponed at Fortis' sole discretion.

Deposit of Funds

The Bank will transfer funds to the Sub-Merchant's bank account as instructed by Fortis. The Bank will transfer funds no more than thirty (30) days after funds settle to the Bank, subject to any "Hold" or "Reserve" imposed under the Reserve Section below. If the Bank cannot transfer the funds to the Sub-Merchant's bank account (due to inaccurate or obsolete bank account information entered by the Sub-Merchant, or for any other reason), Fortis may return the funds to the Customer or escheat them pursuant to Section 20. Neither the Bank, Fortis, nor the Customer will have any liability to Sub-Merchant for funds returned in this manner.

Settlements to a bank account may be limited or delayed based on your perceived risk and history with Fortis. If you would like to request an increase to your settlement limit, please contact Fortis at 1-855-465-9999. Upon receiving this request, Fortis will conduct a review of your account. Fortis will consider a variety of factors in making this decision and will make this determination at its sole discretion.

Should Fortis need to conduct an investigation or resolve any pending dispute related to your Account, the Bank may defer payout or restrict access to your funds for the entire time it takes us to do so. The Bank may also defer payout or restrict access to your funds as required by law or court order, or if otherwise requested by law enforcement or governmental entity.

Furthermore, if Fortis or the Bank suspects future chargebacks or disputes as a result of transactions to your Account, the Bank may defer payout and/or restrict access to your funds until Fortis or the Bank reasonably believes, in their sole discretion, that the risk of receiving a chargeback or dispute has passed.

All settlements to Sub-Merchants are subject to review for risk and compliance purposes and can be delayed or postponed at Fortis' sole discretion.

Reserve

The Bank, at any time, may temporarily suspend or delay payments to you and/or designate an amount of funds that the Bank must maintain in your Account ("Reserve") to secure the performance of your payment obligations under this Agreement. We may require a Reserve for any reason, including high chargeback risk or indications of performance problems related to your use of the Service.

The Reserve will be in an amount as reasonably determined by us to cover anticipated chargebacks, returns, unshipped merchandise and/or unfulfilled services or credit risk based on your processing history, or such amount designated by our processor. The Reserve may be raised, reduced, or removed at any time by Fortis, in its sole discretion, based on your payment history, a credit review, the amount of any arbitration award or court judgment against you in Fortis' favor, or otherwise as Fortis or its processor or the Bank may determine or require. If you do not have sufficient funds in your Reserve, the Bank may fund the Reserve from any funding source associated with your Account, or from any other Account under your control or any funding source associated with such other Account, including but not limited to any funds

(a) credited to your Account, (b) due to you under this Agreement, or (c) available in your bank account, or other payment instrument registered with us.

You grant us a security interest in and lien on any and all funds held in any Reserve, and also authorize us to make any withdrawals or debits from the Reserve, without prior notice to you, to collect amounts that you owe us under this Agreement, including without limitation for any reversals of deposits or transfers made to your Account. You will execute any additional documentation required for us to perfect our security interest in any funds in the Reserve. This security interest survives for as long as we hold funds in your Reserve; however, it does not apply to any funds for which the grant of a security interest would be prohibited by law. You irrevocably assign to us all rights and legal interests to any interest or other earnings that accrue or are attributable to your Reserve. You will not be entitled to a return of any sums remaining in reserve for up to 270 days following termination of your Account.

Fees

Fortis charges fees to you for using the Service. The Bank withholds these fees from payments received by you. These fees are netted by the Bank against other funds due to you or debited by the Bank from your bank account. If you owe Fortis money, the Bank may deduct that money from your incoming payments or debit your bank account, to the extent permitted by law. The Bank may set off any obligation you owe us under this Agreement (including chargebacks) against any credit in your Account or against any amounts due to you. All Fees are deducted first from the transferred or collected funds and thereafter from your Account. If you do not have sufficient funds, the Bank may collect from any funding source associated with your Account. If the fee amount is returned by the bank for any reason, an ACH Reject fee of \$25.00 will be assessed to you. You agree to pay Fortis the fees that are listed on the Fee Disclosure page of the Sub-Merchant Processing Agreement, or as amended from time to time by Fortis (the "Fees"). Subject to the terms of this Agreement, we reserve the right to change our Fees at any time. By continuing to use the Service, you consent to the change in Fees. To withdraw your consent, you must close your Account. For **Canadian merchants**, per the Code of Conduct guidelines, Fortis may increase the fees or introduce a new fee, upon providing 90 days prior notice to Merchant. Merchant may terminate the Merchant Agreement without any early termination fee or other penalty within ninety (90) days of receiving such notice.

Fees that you pay to process a card transaction, commonly called merchant discount, is a combination of base costs and markups. Base fees consist of interchange and assessments. They are the same for all processors. Interchange is the largest part of the Fees that you will pay. This Interchange goes to the card-issuing banks. None of this Fee is realized as revenue to the processor or the Card Organizations. Fortis' Canadian Merchants may not require any Cardholder to pay any part of any discount rate or other charge imposed upon Merchant by the Merchant Agreement, whether through imposition of a price increase not imposed on cash paying customers or through imposition of any charges not imposed on cash paying customers. However, nothing herein shall prevent Merchant from offering (i) discounts to customers for cash purchases or (ii) differential discounts to customers among different Card Associations. Such discounts are required to clearly mark the availability of at the point of sale. The Card Organizations charge assessments on every transaction. Assessments are the same for all processors and no processor can give you a lower rate. This is how the Card Organizations yield a profit. The types of fees are expansive and have historically changed once or twice a year.

The processing fees include the following; however, may not be all inclusive: Visa Fixed Acquirer Network Fee (FANF), Visa ACQ Processing Fee, Visa Misuse of Auth Fee, Visa Zero Floor Limit Fee, Visa International Acquirer Fee, Visa Kilobyte Fee, Visa ADF Partial Auth Non Participation Fee, FANF, Visa ACQ ISA Fee, Visa Trans Integrity Fee, Visa Proc Fee, Visa BIN Fee, Mastercard Kilobyte Fee, Mastercard Proc Fee, Mastercard AVS Fee, Mastercard CVC2 Fee, Mastercard Acquirer Support Fee, Mastercard Cross Border Fee, Mastercard National Acquirer Brand Usage Fee (NABU), Mastercard Processing Integrity Fee, MC ICA AVS Fee, MC Digital Fee, MC License Fee, MC Location Fee, Mastercard Business to Business US Fee, Discover Network Authorization Fee, Discover International Processing Fee, Discover International Service Fee, Discover Data Usage, American Express Network Fee, American

If your pricing structure is interchange plus; sometimes referred to as cost plus, the assessments are passed directly to you, and you will see the Fees displayed on your statement. If your price structure is a bundled rate; sometimes called a one-rate or two- rate price plan, these Fees are included in the rate and will not be displayed independently.

Examples of other charges that may be assessed include an authorization or transaction fee, International Surcharge, the use of Account Updater, a set-up and/or monthly service fee, batch fee, monthly minimum fee, PCI non-compliance fee and an early termination fee. You will be responsible for any fees that apply due to fraudulent transactions including but not limited to card testing. Card testing occurs when someone tries to determine if stolen card information can be used to make purchases by attempting authorizations using your payment page. We also charge you Fees for processing exceptions, such as when a Sub-Merchant receives a retrieval request or chargeback. If you purchase any payments processing equipment from Fortis, you will also be charged shipping and handling fees and sales tax, if applicable.

Canadian Merchants will receive a minimum of 90 days' notice of any fee increases or the introduction of a new fee related to any credit or debit card transactions. The notice to the Canadian merchant will describe the nature of the fee change and will provide a summary of the changes, facilitating the merchant to be able to see the difference. A fee change will be clearly highlighted on the merchant statement the month following a fee change and a fee disclosure will be provided to Canadian merchants who request an updated copy following the fee change. Canadian Merchants will receive a minimum of 90 days' notice of any reduction in applicable interchange rates.

This Agreement shall be effective upon acceptance by Fortis. It shall continue indefinitely unless and until terminated by either party. If the Merchant or Fortis terminates the Agreement prior to the initial two years (24 months) of this Agreement, an early termination fee may be assessed, as disclosed in the Fee Disclosure page in the Sub-Merchant Processing Agreement.

Taxes

Fortis or the Bank may have tax reporting responsibilities in connection with the Service. For example, Fortis or the Bank will report to the Internal Revenue Service ("IRS") on Form 1099-K as required by law, your name, address, Tax Identification Number (such as Employment Identification Number or Social Security Number), the total dollar amount of the payments you receive in a calendar year, and the total dollar amount of the payments you receive for each month in a calendar year.

However, you are responsible for determining all taxes assessed, incurred, or required to be collected, paid, or withheld, in connection with your use of the Service. You are solely responsible for collecting, withholding, reporting, and correctly remitting any taxes to the appropriate tax authority. Fortis is not obligated to, and will not, determine whether taxes apply, or calculate, collect, report, or remit any taxes to any tax authority arising from your use of the Service.

Sub-Merchant Obligations

Exclusivity

During the term of this Agreement, Fortis shall be the exclusive provider of the Services. "Merchant" or "Sub-Merchant" shall not seek or accept services similar to the Services from other providers unless prior written approval is obtained from Fortis.

Representations and Warranties

You represent and warrant to us that: (a) you are eligible to register and use the Service and have the right, power, and ability to enter into and perform under this Agreement; (b) the name identified by you when you registered is your business name under which you sell goods and services; (c) any sales transaction submitted by you will represent a bona fide sale by you; (d) any sales transactions submitted by you will accurately describe the goods and/or services sold and delivered to a Customer; (e) you will fulfill all of your obligations to each Customer for which you submit a transaction and will resolve any consumer dispute or complaint directly with the Customer; (f) you and all transactions initiated by you will comply with all federal, state, and local laws, rules, and regulations applicable to your business, including any applicable tax laws and regulations; (g) except in the ordinary course of business, no transaction submitted by you through the Service will represent a sale to any principal, partner, proprietor, or owner of your entity; (h) you will not use the Service, directly or indirectly, for any fraudulent undertaking or in any manner so as to interfere with the use of the Service; (i) your use of the Service will be in compliance with this Agreement. For additional transaction criteria, refer to Schedule C.

Customer Service

You are solely responsible for all customer service issues relating to your goods or services, including pricing, order fulfillment, order cancellation by you or the Customer, returns, refunds and adjustments, rebates, functionality and warranty, technical support and feedback concerning experiences with your personnel, policies, or processes. In performing customer service, you will always present yourself as a separate entity from Fortis. You will cooperate with Fortis to ensure that Customers have access to clear customer service information, including an active customer service email address and telephone number.

Refunds and Returns

You agree to process returns and provide refunds and adjustments for goods or services through your Account in accordance with this Agreement and the Rules and ACH Rules. The Rules require that you will (a) maintain a fair return, cancellation, or adjustment policy; (b) disclose your return or cancellation policy to Customers at the time of purchase, (c) not give cash refunds to a Customer in connection with a payment card sale, unless required by law, and (d) not accept cash or any other item of value for preparing a payment card sale refund. You will not submit a refund relating to any transaction not originally submitted to us, nor will you submit a refund that exceeds the amount of the original transaction. Your refund policies must be the same for all payment methods. If your Customer is dissatisfied with your refund policy, the Customer may dispute the payment.

Retrieval & Chargeback Handling

A retrieval request occurs when the card issuer asks for a copy of the actual sales receipt or invoice of a transaction. This is the first step the issuer may take prior to the transaction being disputed and becoming a chargeback. A fee may be assessed for each retrieval request. The amount of a payment may be charged back to you if (a) it is disputed by a Customer, (b) it is reversed for any reason, (c) it was not authorized or we have any reason to believe that the transaction was not authorized, or (d) it is unlawful, suspicious, or in violation of the terms of this Agreement. If a chargeback occurs, you owe us and will immediately pay us the amount of any chargeback and any associated fees, fines, or penalties assessed by the Bank, our processor, or the Card Organizations. If you do not have sufficient funds in your Account, we will have the remedies set forth in "Collection Rights" section below. If you have pending chargebacks, the Bank may delay payouts to you. You are responsible for all chargebacks, whether or not the chargeback complies with the Rules.

Further, if we reasonably believe that a chargeback is likely with respect to any transaction, the Bank may withhold the amount of the potential chargeback from payments otherwise due to you under this Agreement until such time that: (a) a chargeback is assessed due to a Customer's complaint, in which case the Bank will retain and refund the funds; (b) the period of time under applicable law or regulation by which the Customer may dispute that the transaction has expired; or (c) we determine that a chargeback on the transaction will not occur.

If we determine that you are incurring an excessive amount of chargebacks, Fortis or the Bank may establish controls or conditions governing your Account, including without limitation, by (a) assessing additional Fees; (b) creating a Reserve in an amount reasonably determined by us to cover anticipated chargebacks and related fees; (c) delaying payouts; and/or (d) terminating or suspending the Service or closing your Account.

You agree to assist us when requested, at your expense, to investigate any of your transactions processed through the Service. To that end, you permit us to share information about a chargeback with the Customer, the Customer's financial institution, and your financial institution in order to investigate and/or mediate a chargeback. We will request necessary information from you to contest the chargeback. If the chargeback is contested successfully, we will release the reserved funds to you. If a chargeback dispute is not resolved in your favor by the Card Organizations or issuing bank or you choose not to contest the chargeback, we may recover the chargeback amount and any associated fees as described in this Agreement. You acknowledge that your failure to assist us in a timely manner when investigating a transaction, including providing necessary documentation within seven (7) days of our request, may result in an irreversible chargeback. We reserve the right, upon notice to you, to charge a fee for mediating and/or investigating chargeback disputes.

Collection Rights

If you owe Fortis money, the Bank may deduct that money from your incoming payments or debit your bank account, to the extent permitted by law. The Bank may set off any obligation you owe us under this Agreement (including chargebacks) against any credit in your Account or against any amounts due to you. All Fees are deducted first from the transferred or collected funds and thereafter from your Account. If you do not have sufficient funds, the Bank may collect from any funding source associated with your Account, or from any other Account under your control, or from any funding source associated with such other Account, including but not limited to any funds (a) deposited by you, (b) due to you under this Agreement, or (c) available in your bank account, or other payment instrument registered with the Bank. Your failure to pay in full amounts that you owe us on demand will be a breach of this Agreement. You will be liable for our costs associated with collection in addition to the amount owed, including without limitation attorneys' fees and expenses, collection agency fees, and interest at the lesser of one and one-half percent (1½%) per month or the highest rate permitted by law. In its discretion, Fortis may make appropriate reports to credit reporting agencies and law enforcement authorities and cooperate with them in any resulting investigation or prosecution. You hereby expressly agree that all communication in relation to delinquent accounts will be made by electronic mail, by phone, or any other means as provided by you to Fortis. Such communication may be made by Fortis or by anyone on its behalf, including but not limited to a third-party collection agent.

Third-party Partnerships

You may be offered services, products and promotions provided by third parties. If you decide to use these third-party services, you will be responsible for reviewing and understanding the terms and conditions associated with them. You agree that Fortis is not responsible for the performance of these services. The website may contain links to third-party websites. The inclusion of any website link does not imply an approval, endorsement, or recommendation by Fortis. You agree that you access any such website at your own risk, and that the site is not governed by the terms and conditions contained in this

Agreement. Fortis expressly disclaims any liability for these websites. When you use a link to go from our website to another website, our Privacy Policy is no longer in effect. Your browsing and interaction on any other website, including those that have a link on our website, is subject to that website's own rules and policies.

Direct Relationship with Bank

Sub-Merchant understands that the Bank and/or Card Organizations may require a direct agreement with you. In the event that more than \$1,000,000 in Visa transactions and/or \$1,000,000 in Mastercard transactions (or such other amount provided by the Rules ("Benchmark Amount") is processed through and on behalf of Sub-Merchant in any 12-month period, Sub-Merchant will automatically be deemed to have accepted, and will be bound by, the "Merchant Services Agreement for Sub-Merchants" with Acquirer which is set forth in Schedule A to this Agreement, if it applies to you. The terms of which will be independently enforceable by Acquirer. By agreeing to this Agreement (by "click through" or otherwise), you also agree to the terms and conditions of the Merchant Services Agreement for Sub-Merchant, which constitutes a legal binding contract between you and World Pay, Inc. and its' designated Member Bank.

Term & Termination

This Agreement shall be effective upon acceptance by Fortis. It shall continue indefinitely unless and until terminated by either party. If Sub-Merchant closes the account, they will be responsible for all fees assessed in the month of closure. If either party terminates this Agreement during the first two years (24 months), a termination fee may be assessed and electronically debited from merchant's account.

When you close your Account, any pending transactions may be cancelled. Any funds that the Bank is holding in custody for you at the time of closure, less any applicable Fees, will be paid out to you. If an investigation is pending at the time you close your Account, the Bank may hold your funds as described herein. If you are later determined to be entitled to some or all of the funds in dispute, the Bank will release those funds to you.

We may terminate this Agreement and close your Account for any reason or no reason at any time upon notice to you. We may also suspend the Service and instruct the Bank to suspend access to your Account (including the funds in your account) if you(a) have violated the terms of Fortis' policies or this Agreement; (b) pose an unacceptable credit or fraud risk to us; or (c) provide any false, incomplete, inaccurate, or misleading information or otherwise engage in fraudulent or illegal conduct. If your Account is terminated for any reason or no reason, you agree: (a) to continue to be bound by this Agreement; (b) to immediately stop using the Service and to remove all Card Organization logos from your website and wherever else they are displayed; (c) that the license provided under this Agreement shall end; (d) that we reserve the right (but have no obligation) to delete all of your information and Account data stored on our servers; and (e) that Fortis shall not be liable to you or any third-party for termination of access to the Service, deletion of your information or Account data, or export of your information or Account data. For **Canadian merchants**, per the Code of Conduct guidelines Fortis may increase the fees or introduce a new fee, upon providing 90 days prior notice to Merchant.

Merchant may terminate the Merchant Agreement without any early termination fee or other penalty within ninety (90) days of receiving such notice.

We will not be liable to you for compensation, reimbursement, or damages in connection with any termination or suspension of the Service. Any termination of this Agreement does not relieve you of any obligations to pay any Fees or costs accrued prior to the termination and any other amounts owed by you to us as provided in this Agreement.

Dormancy

If there is no activity in your Account (including access or payment transactions) for twelve (12) months or more, Fortis may close your Account with or without notice. If there is no activity in your Account (including access or payment transactions) for the period of time set forth in the applicable unclaimed property laws, and you have a credit, we may notify you by sending an email to your registered email address. We may also notify you by U.S. mail. We will give you the option of keeping your Account open, withdrawing the funds, or requesting a check. If you do not respond to our notice within the time period specified in the notice, we may close your Account and the Bank will escheat your funds in accordance with applicable law.

Transfers

Fortis may transfer or assign the Agreement at any time; however, you may not transfer or assign the Agreement.

No waiver of any term of this Agreement shall be deemed a further or continuing waiver of such term or any other term.

Any provision that is reasonably necessary to accomplish or enforce the purpose of this Agreement shall survive and remain in effect in accordance with its terms upon the termination of this Agreement.

Schedule A

MERCHANT SERVICES AGREEMENTS FOR SUB-MERCHANTS

FIS formerly known as World Pay Merchant Services Agreement

This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS ("Agreement") is made among WORLDPAY, LLC, having its principal office at 8500 Governors Hill Drive, Symmes Township, OH 45249-1384 and its designated Member Bank (collectively "Acquirer") and _____ ("Sub-merchant") in connection with the agreement between Sub-merchant and _____ ("Provider"). Acquirer will provide Sub-merchant with certain payment processing services ("Services") in accordance with the terms of this Agreement. In consideration of Sub-merchant's receipt of credit or debit card funded payments, and participation in programs affiliated with Mastercard International Inc. ("Mastercard"), VISA U.S.A. Inc. ("VISA"), Discover ("Discover"), and certain similar entities (collectively, "Associations"), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Agreement, Sub-merchant has fulfilled such requirement. However, Acquirer understands that Sub-merchant may have contracted with Provider to obtain certain processing services and that Provider may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant's obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. Certain Sub-merchant Responsibilities. Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant's agent ("Agents") to comply, with the Associations' and other payment network's by-laws, Operating Regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the Mastercard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Association (collectively "Operating Regulations"). Sub-merchant may review the VISA, Mastercard, and Discover websites for a copy of the Visa, Mastercard and Discover regulations. The websites are: <https://usa.visa.com/support/small-business/regulations-fees.html> and <http://www.Mastercard.com/us/merchant/> and <https://www.discoverglobalnetwork.com/resources/payments-providers/get-started/>. Sub-merchant also agrees to comply with all applicable state, federal, and local laws, rules, and regulations ("Laws"). Without limiting the foregoing, Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act, the US Treasury's Office of Foreign Assets Control (OFAC) and the Federal Trade Commission. For purposes of this section, Agents include, but are not limited to, Sub-merchant's software providers and/or

equipment providers.

If appropriately indicated in Sub-merchant's agreement with Provider, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and Mastercard card types (i.e., consumer credit, consumer debit, and commercial cards) and must display appropriate signage to indicate the same. Acquirer has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: (i) the minimum transaction amount does not differentiate between card issuers; (ii) the minimum transaction amount does not differentiate between Mastercard, Visa, or any other acceptance brand; and (iii) the minimum transaction amount does not exceed ten dollars (or any higher amount established by the Federal Reserve). Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, under the following conditions: Sub-merchant is a (i) department, agency or instrumentality of the U.S. government; (ii) corporation owned or controlled by the U.S. government; or (iii) Sub-merchant whose primary business is reflected by one of the following MCCs: 8220, 8244, 8249 –Schools, Trade or Vocational; and the maximum transaction amount does not differentiate between Mastercard, Visa, or any other acceptance brand.

2. Sub-merchant Prohibitions. Sub-merchant must not (i) require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed, (ii) add any tax to transactions, unless applicable law expressly requires that a Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately), (iii) request or use an account number for any purpose other than as payment for its goods or services, (iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant, (v) disburse funds in the form of cash unless Sub-merchant is dispensing funds in the form of travelers checks, Travel Money cards, or foreign currency (in such case, the transaction amount is limited to the value of the travelers checks, TravelMoney cards, or foreign currency, plus any commission or fee charged by the Sub-merchant), or Sub-merchant is participating in a cash back service, (vi) submit any transaction receipt for a transaction that was previously charged back to the Acquirer and subsequently returned to Sub-merchant, irrespective of cardholder approval, (vii) accept a Visa consumer credit card or commercial Visa product issued by a U.S. issuer to collect or refinance an existing debt, (viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable, or (ix) submit a transaction that represents collection of a dishonored check. Sub-merchant further agrees that under no circumstance will Sub-merchant store cardholder data in violation of the Laws or the Operating Regulations including but not limited to the storage of track-2 data. Neither Sub-merchant nor its Agent shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.

3. Settlement. Upon receipt of Sub-merchant's sales data for card transactions, Acquirer will process Sub-merchant's sales data to facilitate the funds transfer between the various Associations and Sub-merchant. After Acquirer receives credit for such sales data, subject to the terms set forth herein, Acquirer will fund Sub-merchant, either directly to the Sub-merchant- Owned Designated Account or

through Provider to an account designated by Provider ("Provider Designated Account"), at Acquirer's discretion, for such card transactions. Sub-merchant agrees that the deposit of funds to the Provider Designated Account shall discharge Acquirer of its settlement obligation to Sub-merchant, and that any dispute regarding the receipt or amount of settlement shall be between Provider and Sub-merchant. Acquirer will debit the Provider Designated Account for funds owed to Acquirer as a result of the Services provided hereunder, provided that Acquirer may also debit Sub-merchant's designated demand deposit account ("Sub-merchant-Owned Designated Account") upon receipt of such account information from Sub-merchant or Provider, or if Acquirer deposits settlement funds into the Sub-merchant-Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if Acquirer reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from Sub-merchant or Provider.

4. Term and Termination. This Agreement shall be binding upon Sub-merchant upon Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon Acquirer, on the date Acquirer accepts this Agreement by issuing a merchant identification number and shall be coterminous with Provider's agreement with Sub-merchant.

Notwithstanding the foregoing, Acquirer may immediately cease providing Services and/or terminate this Agreement without notice if (i) Sub-merchant or Provider fails to pay any amount to Acquirer when due, (ii) in Acquirer's opinion, provision of a service to Sub-merchant or Provider may be a violation of the Operating Regulations or any Laws, (iii) Acquirer believes that Sub-merchant has violated or is likely to violate the Operating Regulations or the Laws, (iv) Acquire determines Sub-merchant poses a financial or regulatory risk to Acquirer or an Association, (v) Acquirer's agreement with Provider terminates, (vi) any Association deregisters Provider, (vii) Acquirer ceases to be a member of the Associations or fails to have the required licenses, or (viii) Acquirer is required to do so by any of the Associations.

5. Limits of Liability. Sub-merchant agrees to provide Acquirer, via a communication with Provider, with written notice of any alleged breach by Acquirer of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to provide notice shall be deemed an acceptance by Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, ACQUIRER DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Sub-merchant's sole and exclusive remedy for any and all claims against Acquirer arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against Provider and not against Acquirer, unless otherwise specifically set forth in the Operating Regulations. In no event shall Acquirer have any liability to Sub-merchant with respect to this Agreement or the Services. Sub-merchant acknowledges Acquirer is only providing this Agreement to assist in Provider's processing relationship with Sub-merchant, that Acquirer is not liable for any action or failure to act by Provider, and that Acquirer shall have no liability whatsoever in connection with any products or services provided to Sub-merchant by Provider. If Provider is unable to provide its services to Sub-merchant in connection with this Agreement and Acquirer elects to provide those services directly, Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Acquirer's then current Bank Card Merchant

Agreement, which would be provided to the Sub-merchant, will govern Acquirer's relationship with Sub-merchant. If Provider subsequently provides its services to Sub-merchant in connection with this Agreement, Acquirer will cease to provide such services after receipt of notice from Provider and this Agreement will govern Acquirer's relationship with Sub-merchant.

6. Miscellaneous. This Agreement is entered into, governed by, and construed pursuant to the laws of the State of Ohio without regard to conflicts of law provisions. This Agreement may not be assigned by Sub-merchant without the prior written consent of Acquirer. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, Acquirer and Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. Acquirer may amend this Agreement upon notice to Sub-merchant in accordance with Acquirer's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement "Member Bank" as used in this Agreement shall mean a member of VISA, Mastercard and/or Discover, as applicable, that provides sponsorship services in connection with this Agreement. As of the commencement of this Agreement, Member Bank shall be Fifth Third Bank, an Ohio Banking Corporation, located in Cincinnati, OH 45263. The Member Bank is a party to this Agreement. The Member Bank may be changed, and its rights and obligations assigned to another party by Acquirer at any time without notice to Sub-merchant.
